MISSISSIPPI ONLINE PRE-LICENSING EDUCATION AGREEMENT – STUDENT

- This statement is to be signed by any Mississippi resident enrolling in an online auction school –

I, the undersigned, state that I understand that the Mississippi Auctioneers Licensing Commission has approved _____ for the purpose of pre-licensing education for Mississippi. I have chosen to attend this school fully understanding that other licensing states may not accept this education which may prevent me from obtaining a license in other states through reciprocity or through direct application to other commissions.

I know that I may have to go to another school to obtain licensing in states other than Mississippi.

I also understand that by signing this document, the Mississippi Auctioneers Licensing Commission has not agreed to issue an auctioneer's license to me and that I must meet all other requirements for a license. I also understand that the Mississippi Auctioneer Commission may revoke the approval of any school providing pre-licensing education for the purpose of obtaining a license in the State of Mississippi.

I have read and signed this document on this date: _____
